

# READ, THINK, PRAY, DO

a kid's guide to reading the Bible

## A GROWN-UP'S GUIDE TO THIS BOOK

The idea of encouraging your kids to read the Bible may feel like a daunting task. Some presume their kids will not be able to pay attention or that it will be too confusing. You might also feel personally ill-equipped to lead them through the Scriptures. Even as adults, we can struggle to read the Bible for ourselves, so how do we teach our children to do it?

This book is a simple and kid-friendly guide to reading God's word with your children. It will introduce them to four easy steps: **READING** the Bible, **THINKING** about what it means, **PRAYING** about what we've learned and **DOING** what it teaches. Read, think, pray, do.

As you will discover, this book has two sections. Firstly, read and enjoy the illustrated story with your children and then it's time to open up the Bible together. Use the questions and ideas in the second half of this book to guide your kids through a passage of Scripture.

The Bible is a special book.

I wonder if you've had a look?

You might think  
only grown-ups read it,

but kids just like you  
also need it.

If you can read (or be read to)  
then God's word is a word for you.

BUT it's so BIG!

It looks so hard!

A child with reddish-brown hair, wearing a blue and white striped sweater and green pants, stands on a dark, undulating surface. The child is looking up at a vast, swirling sky of deep blues and whites, with a bright blue triangular shape on the left side of the frame.

What do you do?

Where do you start?

Well let me share this easy guide.

Four simple steps  
to keep in mind:

Let me explain each one to you.
