

DEBORAH and the VERY BIG BATTLE

• WRITTEN BY •
Tim Thornborough

• ILLUSTRATED BY •
Jennifer Davison

This is a true story from the Bible about how
God's people stopped listening to God and got into
a LOT of TROUBLE.

When God speaks, we must always listen carefully.
We can always trust what God says because we know
that he loves his people and that his words
are always true.

So as you read this story, every time someone
speaks, put a finger to your lips.

And every time someone listens, put a hand
to your ear.

And every time someone does something,
point to your hand.

It will remind you that when God speaks, it's
important to listen and to do what he says.

These are God's people.

And they are in **BIG** trouble...

God spoke to them,

but they

**DID NOT
LISTEN.**

They did not do what God said.

They had forgotten that
the word of the Lord is always true,
and that following God's way is the
best thing to do.

And so they started
worshipping pretend gods.

What would God do?
God loved his people.
They needed to learn
they were wrong.

A close-up illustration of a warrior, Sisera, wearing a large, golden, scale-like helmet with a red plume. He has a dark beard and mustache and is looking slightly to the right. He is holding a wooden shaft with a red ribbon, which is part of a spear or lance. The background shows a green field with a line of soldiers in the distance, each holding a spear. The sky is a clear blue.

This is Sisera.

Sisera had a huge,
scary army with 900
terrifying iron chariots.
