

I am God's very good idea

GEN 1:31 , PS 139:13 , EPH 2:10

I am not alone

We can all feel alone and abandoned at times, but the truth is that God promises to never leave or forsake us.

Draw yourself in a situation where you need to remember that you are not alone. Then add in Jesus, the Father, Holy Spirit, the Great Cloud of Witnesses and some more angels all around you.

Don't worry if they head off the page - there are more cheering you on than you can imagine.
