

Who is a devotional commentary for?

Jonathan Griffiths' *Wisdom & Knowledge* and *Strangers & Exiles* are what we call devotional commentaries: deeper than your average devotional and more applicational than the typical commentary. This means they're...

...For everyone (not just pastors)

...Fantastic for ministry & study

Personal devotion

Do you sometimes want more depth from your Bible study notes? Having both an easy, enjoyable style and theological rigour, a devotional commentary like *Wisdom & Knowledge* makes a fantastic devotional on Solomon's life.

Small groups

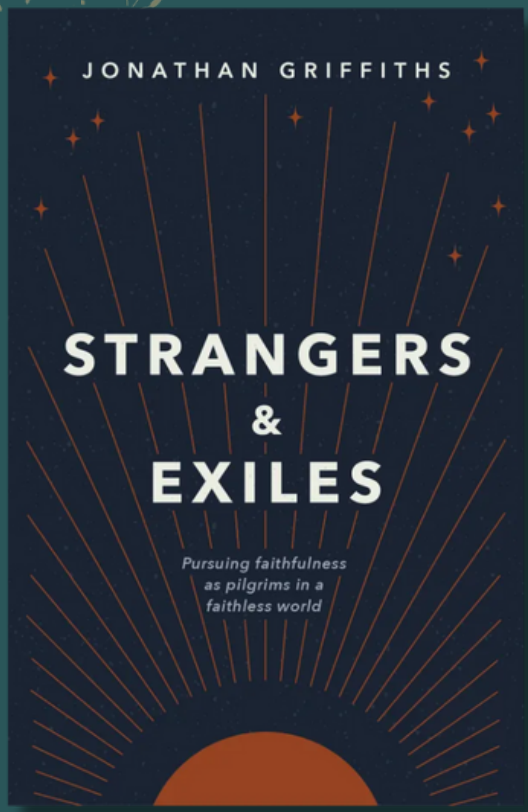

With discussion questions on Bible passages at the back as well as thorough examination of Scripture, these devotional commentaries are ideal for helping church members plan and lead a group study.

Ministry leaders

A devotional commentary like *Wisdom & Knowledge* quickly leads the reader towards faithful application, making it invaluable for all sorts of ministry contexts: preaching, leading, women's groups...

Studying

Written by an experienced and respected Bible teacher, these devotional commentaries help students get to grips with the heart of two bible characters: Abraham and Solomon.

The life of Abraham

*"Biblical exposition
at its best."*

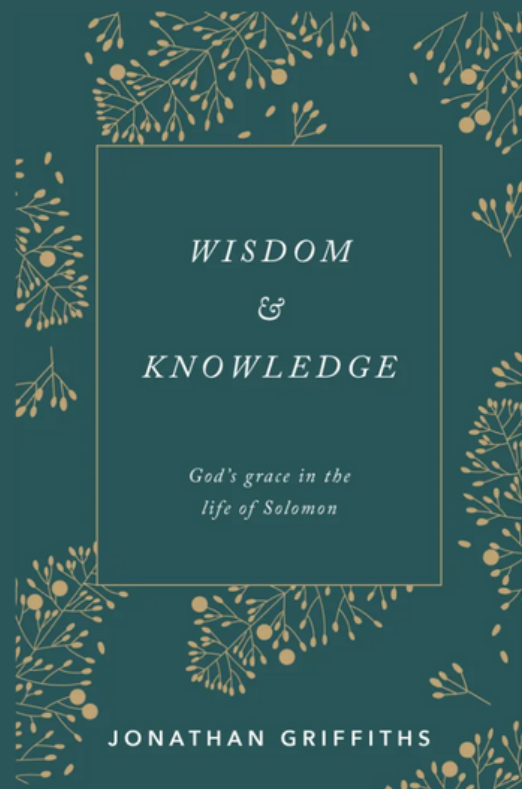

Ajith Fernando, Teaching
Director, Youth for Christ

The life of Solomon

*"Jonathan Griffiths writes
as a scholar but – more to
the point – as a pastor who
watches over the souls of
those in his care."*

Christopher Ash, Writer-in-
Residence, Tyndale House,
